

CORNELL VILLAGE PUBLIC SCHOOL
CURRICULUM/MEET THE TEACHER NIGHT
SEPTEMBER 24, 5:15-7:20 Grades SK-8
BOOKFAIR OPEN THROUGHOUT

Curriculum Night is an opportunity for parents to come into our school, meet their children's teachers, and learn a little about the curriculum that the children will study throughout the year. It is an early chance to establish the important 3-way educational partnership that must exist between parent-student-teacher, in order for success to occur. Our staff is excited to meet you, and is looking forward to a prosperous academic year.

Parents who have more than one child at the school may have difficulty getting to all presentations. We have arranged a timetable that provides some flexibility for parents getting to presentations, but will certainly not accommodate all. You will still be able to meet them on the yard, have a brief discussion, and perhaps pick up a handout later. Below is a schedule for the night.

Curriculum/Meet the Teacher Night is not a parent-teacher interview night. Our teachers are not prepared to answer specific questions related to individual children on this occasion. If you feel the need to have a parent-teacher interview at this time, please make those arrangements with the teacher at your convenience. We encourage this process of open dialogue, but just not on Curriculum/Meet the Teacher Night.

Our Yearbook Committee will have Hot Dogs on sale at 5:00. You may pre-order (letter already sent and available on our web site) to guarantee hot dogs. We will have a limited number of hot dogs available for those who have not pre-ordered. Our Grade 8 Graduation Committee will also be selling juice and water.

REMEMBER TO SUPPORT OUR LIBRARY BY ATTENDING THE BOOK FAIR.

Curriculum Night/Meet the Teacher Schedule

- 5:15-6:00 Teachers will be on the playground to meet families
(Hot dogs and drinks available)
- 6:15-6:45 Presentation in classrooms
- 6:50-7:20 Repeat of same presentation in classrooms
